Committee on International Relations  
House of Representatives  
Washington, D. C. 20515

Dear Mike:

I would like to express my appreciation to you for speaking to our Intelligence Process Course on 15 December 1976. I am aware that you agreed to stand in for Jack Brady at the last minute. Needless to say, we are grateful to the Committee staff for your enthusiastic cooperation.

Both [ ] of our Office of Training, and [ ] of my staff, reported that your comments clearly set forth the relations between Congress and the Agency. The class, I am told, was most receptive to your perception of Congress and its role in foreign policy. They appreciated the candor and openness with which you spoke.

Once again, many thanks for speaking. I believe that you made a significant contribution to the students' understanding of the overall intelligence process.

Sincerely,

SIGNED

George L. Cary  
Legislative Counsel
